Waste advice for those households that have tested positive or are symptomatic and awaiting test results for COVID-19. Personal waste (such as used tissues) and disposable cleaning cloths can be stored securely within disposable rubbish bags. These bags should be placed into another bag, tied securely and kept separate from other waste. This should be put aside for at least 48 hours before being put in your usual external household waste bin.

Other household waste can be disposed of as normal.

Normal household and trade collection services will resume with effect from Thursday 6th January 2022. Please ensure that the bin lid is closed fully, failure to do so will result in the bin not being emptied. Please leave the bin at the curtilage of your property by 6.00 a.m. on the day of collection, however it is preferential if the bin can be put out the night before collection.

***If your bin is not collected on the above revised days, please be assured that we will collect it on the next available day.***

**PLEASE NOTE THAT OUR OFFICES WILL CLOSE FOR THE CHRISTMAS PERIOD FROM 23RD DECEMBER AT 5.00 P.M. AND WILL RE-OPEN ON THE TUESDAY 4TH OF JANUARY 2022 AT 9.00AM.**

**WE WOULD LIKE TO WISH YOU ALL A MERRY CHRISTMAS AND A HAPPY NEW YEAR**
