- 1.3 The Authority welcomes enquiries from the media and will attend to media requests promptly and with courtesy, honesty and respect. The Authority believes that a good relationship based on trust, familiarity and confidence, is important between the Authority and the media.

2. Objectives

- 2.1 The objectives of the Media Contact Policy are to:
 - (i) Ensure that the Authority complies with the principles of corporate governance, i.e. openness, accountability and integrity.
 - (ii) Ensure that the Authority communicates effectively with all its stakeholders.
 - (iii) Ensure all communication with the media is consistent, balanced, well- informed, timely, professional and appropriate.
 - (iv) Improve communication with customers and support the Authority's public relations.

- 3.2 With the permission of the Chairman/Chief Executive/Clerk the Lead Members may act as spokespersons for the Authority on agreed Authority policy matters within their delegated areas of responsibility under the Authority's Code of Conduct, and in accordance with the principles set down in this Media Contact Policy.
- 3.3 The Chief Executive/Clerk, in their absence whilst deputising, the Finance Manager/District Surveyor will be responsible for endorsing and overseeing the Media Contact Policy.
- 3.4 The Lead Members may act as spokesperson with the permission of the Chairman/Chief Executive/Clerk for matters relating to the civic role of the Chairman and in respect of non-contentious matters of Authority policy.

- 3.5 The Chief Executive/Clerk, and officers delegated by the Chief Executive/Clerk, may provide information to the media on agreed Authority policy matters and on operational matters of public interest.

4. Members and the Media

- 4.1 In their role as elected representatives, Members are free to talk to the media at any time on any issue of interest. However, whilst every Member has a right to express a private opinion on any issue, Commissioners must carefully identify the role in which they speak.
- 4.2 When Members speak 'for the Authority' they must express and support Onchan District Commissioners' entire policy on the issue at hand. Any Member who feels unable to speak in support of an Authority policy whilst formally representing the Authority faces a dilemma and must treat it in a similar fashion to a conflict of interest issue.
- 4.3 Whilst Members are encouraged to keep in regular contact with the local media in order to promote their community leadership role and the positive work they are carrying out in their community, Members should be sensitive to the fact that they are perceived to be speaking on behalf of the Authority. If writing or expressing a view that is not in accordance with the Commissioners' policy, it should be made clear that this is an independent opinion.
- 4.4 From time to time Members may be requested to contribute material for newspapers or participate in a broadcast interview. The views expressed should, where required under this Policy, be identified as the Member's own and must not include personal criticism of other Members or Officers.
- 4.5 Members are encouraged to consult with the Chairman and Chief Executive/Clerk prior to speaking to or issuing statements to the media, whether on an individual or Authority basis.
- 4.6 Defamation law applies to Members as it does for other members of the public. It could be considered defamatory to harm another person's reputation verbally or through the written word.
- 4.7 Members must not use the Authority's framework for media relations in support of election campaigning or for individual political gain.
- 4.8 Any Member in a position as spokesperson and who considers that training in media relations would be useful is encouraged to contact the Chief Executive/Clerk.

5. Media Enquiries

- 5.1 Officers should direct all media enquiries to the Chief Executive/Clerk for appropriate action which may involve contacting the Chairman and/or the Lead Member dependent on circumstances. Members are encouraged to direct queries to the Chief Executive/Clerk, and/or the Chairman of the Authority in the first instance, dependent on the level of query.

- 5.3 Members and Officers are encouraged to co-operate at all times with media outlets subject to the provisions in this policy and to be proactive, as opposed to reactive in their use of the media. The wording 'No comment' is to be avoided – Members and Officers should indicate that an official response will be provided as soon as possible.
- 5.4 As soon as Members or Officers become aware of an issue likely to attract media attention, either positive or negative, then the Chief Executive/Clerk and Chairman should be alerted.

The Chief Executive/Clerk may authorise filming where there is likely to be minimal implications.

Officers should prepare and draft information so that a speedy and accurate response can be provided. Where resource permits, Officers are encouraged to provide a draft press release which can then be formatted/approved by the Chief Executive/Clerk.
- 6.2 The Chief Executive/Clerk will prepare releases, for approval by the Chairman, and any Lead Member quoted in such release.
- 6.3 Once approved, statements will be issued to all Members electronically prior to general release to the Island's media. Releases will also be published to the Authority's website.
- 6.4 Members and Officers should treat all media outlets equally and should avoid giving one outlet preferential treatment. Media releases will be distributed to all media outlets at the same time.
- 6.5 Where media releases are jointly issued with partnering organisations agreement from those organisations must be obtained.

7. Emergency Planning

- 7.1 Specific procedures for media and public communications are contained within the Authority's Emergency Plan.

8. Social Media

- 8.1 In respect of Social Media and the interaction with media relations, it is inevitable that once an item of interest is available in the public domain, then queries and comments may be generated via social media outlets such as Facebook and Twitter.
- 8.2 The Authority's Social Media accounts are monitored on behalf of SMT. Where significant issues are raised these will be referred as soon as practicable to SMT for management of any media relations elements. Where immediate action is required because of incorrect or reputationally-damaging posts, then the Chief Executive/Clerk will take immediate action to block or terminate posts.
